Heads of Northgate High School, Dereham Sixth Form College and DESA: Mrs Z Galley and Dr D Hone

21st September 2023

Dear Parents and Carers,

You may have seen recent media coverage regarding Reinforced Autoclaved Aerated Concrete (RAAC) and its use in educational settings. RAAC is a lightweight form of concrete; because it is weaker than regular concrete, concerns have been raised about its long-term durability. Department for Education (DfE) has recently changed its guidance to education settings on the management of RAAC to take a more precautionary approach and as a result areas in affected spaces will be vacated.

We wanted to inform you that we are not affected by this decision as we do not have RAAC in any of our buildings and therefore they will continue to function as normal. We understand that parents may want to understand more about the support to educational settings to manage RAAC safely. You can read more through the article published by the DfE by following this link <https://educationhub.blog.gov.uk/> We hope that this offers reassurance.

Yours sincerely,

Mrs Z Galley
Heads of Northgate High School, Dereham Sixth Form College and DESA

Dr D Hone
Heads of Northgate High School, Dereham Sixth Form College and DESA
