The qualifications offered at DSFC are GCSEs (re-sits), GCEs, BTEC, Cambridge Technical Awards & EPQs.

The subjects offered for these qualifications in any academic year may be found in the Centre's published prospectus for that year. If there is an intended change of exam board/specification from current exam board/specification, the Exams Office must be informed by the end of the spring term.

Informing the Exams Office of changes to a specification is the responsibility of the Heads of Department.

Decisions on whether a candidate should be entered for a particular subject will be taken in consultation with the Candidates, Parents/Carers, SENCo, Subject teachers, Head of Subject and SLT link. The final decisions rest with the Head of Centre or the delegated SLT member.

Exam series and timetables

Exam seasons

Internal exams (mocks) and assessments are scheduled in December or January for Year 11/13, May for Year 12 and July for Year 10.

External exams and assessments are scheduled in November, January, May and June.

Internal mock exams held under external exam conditions.

Timetable

Once confirmed, the Exams Manager will circulate the exam timetable for internal exams and external exams.

Entries, entry details and late entries

Candidates are selected for their exam entries by the Heads of Department and Subject teachers.

Entry deadlines are circulated to Heads of Department via email.

All entries are checked and signed off by HODs before being made.

Late entries are authorised by Heads of Department and Head of Centre.

Exam fees

Candidates or departments will not be charged for changes of tier, withdrawals made by the proper procedures or alterations arising from administrative processes provided these are made within the time allowed by the awarding bodies.

Fee reimbursements are sought from candidates who: decide to sit an exam after the late entry/withdrawal deadline/fail to sit an exam/do not meet the necessary coursework requirements without medical evidence or evidence of other mitigating circumstances.

Dereham Sixth Form Colleges covers the cost of one entry for GCSE re-sit candidates an academic year, and this is for the Summer series. Any students wishing to enter for the GCSE re-sit exam in November is to do so at their own expense. The cost will be refunded if a 4 or above is achieved, as the centre will then not have to pay for the Summer entry.

Disability Discrimination Act

All exam centre staff must ensure that meet the requirements of the Disability Discrimination Act 1995 (DDA), extended in 2005, and the Disability Equality Duty (DED), introduced in 2006.

The DDA introduced measures aimed at eliminating the discrimination often faced by disabled people. The main provisions of the Act give protection to disabled people in the areas of employment and education.

'A person has a disability for the purposes of the DDA if s/he has a physical or mental impairment that has a substantial and long-term adverse effect on her/his ability to carry out normal day-to-day activities.

The Centre will meet the disability provisions under the DDA or the Equality Act 2010 by ensuring that the Exams Centre is accessible and improving candidate experience. This is the responsibility of the Head of Centre, Senior Leadership Team, Exams Manager and SENCo.

Please see separate Disabilities in Exams policy.

Access arrangements

The SENCo will inform subject teachers of candidates with special educational needs and any special arrangements that individual candidates can be granted during the course and in the exam.

A candidate's access arrangements requirement is determined by the SENCo and Educational Psychologist/Specialist teacher. The assessor's qualification is checked to ensure it is appropriate to carry out the role of assessing for Access Arrangements.

Making access arrangements for candidates to take exams is the responsibility of both the SENCo and Exams Manager.

Submitting completed access arrangement applications to the awarding bodies is the responsibility of the Exams Manager. No applications can be made without the relevant Data Protection notice being signed by the student. Advance notice to sign the DPN sheet is given to students, with ample opportunity for them to sign the sheet before the application deadline.

Rooming for access arrangement candidates will be arranged by the Exams Manager. Invigilation

and support for access arrangement candidates will be organised by the Exams Manager.

Contingency planning

Contingency planning for exams administration is the responsibility of the Head of Centre, SLT and Exams Manager.

Please see separate Contingency Plan policy.

Private candidates

Managing private candidates is the responsibility of the Exams Manager.

At present, Northgate High School and Dereham Sixth Form College do not accept private candidate.

Managing invigilators

External staff are used to invigilate examinations. These invigilators will be used for internal exams (mocks) and external exams.

Recruitment of invigilators is the responsibility of the Exams Manager along with the Business Manager.

Securing the necessary Disclosure Barring Service (DBS) clearance for new invigilators is the responsibility of the Business Manager.

DBS fees for securing such clearance are paid by the Centre.

Invigilators are timetabled and briefed by the Exams Office.

Invigilators rates of pay are agreed by the Head of Centre.

Malpractice

The Head of Centre is responsible for investigating suspected malpractice. All reports of malpractice will be reported to the exam board promptly in order for them to carry out their investigation.

Exam days

The Exams Manager will book all exam rooms after liaison with other users and make the question papers, other exam stationery and materials available for the invigilator.

Site management is responsible for setting up the allocated rooms.

The Lead Invigilator will start all exams in accordance with JCQ guidelines.

In practical exams subject teachers may be on hand in case of any technical difficulties.

Exam papers must not be read by subject teachers or removed from the exam room before the end of a session. Papers will be not be distributed to heads of department until all papers are accounted for and packed to be sent to the exam boards.

Candidates

The Centre's published rules on acceptable dress, behaviour and candidates' use of mobile phones and other electronic devices apply at all times.

Candidates' personal belongings remain their own responsibility and the Centre accepts no liability for their loss or damage.

Candidates are identified at DSFC by the Student ID they carry with them, and at Northgate High School by the photographic candidates cards that are displayed on every exam desk. These pictures are check by the invigilators against the student sitting at that desk before an exam commences.

Disruptive candidates are dealt with in accordance with JCQ guidelines. Candidates are expected to stay for the full exam time at the discretion of the Exams Manager or Lead Invigilator.

Candidates may only leave the exam room for a genuine purpose and are required to return immediately to the exam room. They must be accompanied by a member of staff at all times.

The Exams Manager is responsible for handling late or absent candidates on exam day or subsequently.

For clash candidates, the supervision of candidates, identifying a secure venue and arranging overnight supervision is the responsibility of the Exams Manager.

Should a candidate be ill before an exam, suffer bereavement or other trauma, be taken ill during the exam itself or otherwise disadvantaged or disturbed during an exam, then it is the candidate's responsibility to alert the Centre, the Exams Manager, or the Exam Invigilator, to that effect.

The candidate must support any special consideration claim with appropriate evidence within three days of the exam, for example by providing a letter from the candidate's doctor.

The Exams Manager will then make an online application for special consideration to the relevant awarding body within seven days of the last exam in the season. Certain special considerations applications may need to be made on paper.

Internal assessments and appeals

Internal assessment replaces the largely discontinued term coursework

It is the duty of heads of department to ensure that all internal assessment is ready for dispatch at the correct time. The Exams Manager will assist by keeping a record of each dispatch, including the recipient details and the date and time sent.

Rationale:

Controlled Assessment is now an integral part of students' learning experiences in Key Stage 4 & 5. As a school we recognise the importance of Controlled Assessment and seek to ensure that students have the very best opportunities to complete Controlled Assessment tasks in order to fulfil their potential. At the same time, we recognise the need to keep disruption to the curriculum to a minimum and ensure appropriate access, where possible, to ICT facilities whether through existing ICT suites, learning hub and department based resources and netbooks.

The priorities for our Controlled Assessment Policy are:

1. To ensure that where possible, all Controlled Assessment within subject areas are negotiated across school/departments to avoid 'logjam'. This will enable departments to plan their delivery of Controlled Assessment with consideration for the learning experience of students
2. To use the online Room Booking System and sharing of netbook resources across departments to meet the ICT needs of Controlled Assessment as defined by awarding bodies.
3. To support departments in the delivery of Controlled Assessment during curriculum time to avoid disruption to other subject areas in the delivery of their curriculum.
4. Heads of Department will liaise closely with Heads of Year regarding pupils to be congratulated for their efforts and achievement, and for those who are failing to meet deadlines or achieve desired target minimum standards in order to seek parental support
5. To use assembly time to highlight:
 - a. forthcoming Controlled Assessments across the curriculum
 - b. share best practice in tackling Controlled Assessment including research strategies

Marks and appeals

Marks for all internally assessed work are provided to the Exams Office by the Heads of

Department. Appeals against internal assessments must now follow the JCQ regulations of

2017, as can be seen in the separate policy booklet Internal Appeals Procedures.

Results

Results, review of results (RORs) and access to scripts (ATS)

Candidates will receive individual result slips on results days, either in person at the Centre and by email.

Arrangements for the Centre to be open on results days are made by the Head of Centre.

The provision of staff on results days is the responsibility of the Head of Centre.

RORs

RORs may be requested by Centre staff or candidates if there are reasonable grounds for believing there has been an error in marking. The candidate's consent is required before any ROR is requested.

If a result is queried, the Exams Manager, teaching staff and Head of Centre will investigate the feasibility of asking for a re-mark at the Centre's expense.

When the Centre does not support a candidate's or parent's request for an EAR, a candidate may apply to have an enquiry carried out. If a candidate requires this against the advice of subject staff, they will be charged.

Enquiry about examination result

If a query is raised over a grade reported from an Examination Board after results are issued, the candidate should:

- Submit in writing the reason why they are dissatisfied with the results awarded and why they consider an Enquiry About Results should be submitted to the Examinations Board. This written request should be brought in person, with the relevant fee, to the Exams Manager by the date advised on results day. The Head of Department will establish if the mark awarded is in line with predictions. Where appropriate, the candidate should be given access to the marks awarded and any comments recorded by the person assessing the work.
- The candidate needs to sign a form to give consent.
- If the candidate is not satisfied with the outcome, they have the right to go ahead with the Enquiry About Results, and pay for the service. In this case, fees already paid will be kept.
- It is important to realise that marks and grades are not always raised and can also be confirmed as correct or lowered.
- The JCQ Post-Results Services booklet is available on the school website or on JCQ's website.

Details of the fees can be obtained from the Exams Manager.

Access To Scripts

All awarding bodies now access immediate access to scripts via the portal accessed only by the Exams Manager. Access to Script request that are linked to a Review of Marking or other ROR services will take priority. Any other Access to Scripts request will be handled in due course.

Certificates

Certificates are presented in person or collected and signed for.

Certificates can be collected on behalf of a candidate by third parties, provided they have been authorised to do so.
